

It is with the deepest gratitude that we thank everyone for all the mass cards, prayers, kind words of love and support, and donations to the House of Mercy in memory of our Dad, Fr Jack Fullen. He is truly missed by all and has left a hole in so many hearts; but we hope that everyone finds great peace in knowing that he is in great glory with God and our Mother Sandy. The House of Mercy is a living memory of our Dad and of his love of the poor. Kellie Ross, the staff, and the volunteers of the House of Mercy had a very special place in my Dad's life and heart and we thank you for always loving him as we do.
