

MISSIONARIES LAUNCH CAMPAIGN TO END HUNGER IN HAITI

Manassas, Virginia- January 12, 2010 - The objective is clear: Raise \$150,000 to provide clean drinking water, healthy food and adequate shelter to the tens of thousands of children and their families affected by the earthquake.

The Missionaries Our Lady of Divine Mercy are launching an aggressive campaign to combat poverty and hunger by urging friends and corporate partners to become a part of the recovery effort in Haiti. Working together we can ensure that children have clean, safe drinking water, adequate shelter, clothes and healthy food to eat.

This initiative will save lives. Every day a children go without proper food, water or shelter they become susceptible to illness and disease. We can prevent that by taking action now. Help us to meet our goal of \$150,000 by pledging your support today. The gift that God has given you will become the gift of life to those in need.

THE TIME FOR MERCY IS NOW.

YOU ARE THE INSTRUMENT TO MAKE IT HAPPEN.
