

FOR IMMEDIATE RELEASE

Urgent Need for Financial Donations

Delegation to Head to Haiti with Medical Supplies and Food

Dear Brothers and Sisters in Christ,

The Missionaries of Our Lady of Divine Mercy will be leaving for Haiti on Monday, January 25, 2010 to bring urgently needed food, water, and medical supplies to the people who have suffered from the recent earthquake.

Recent reports have stated that there are at least 200,000 people who have perished, including many children. There are now 1 million homeless. Medical supplies are extremely limited and food is scarce as well.

Working together with local physicians and churches, we will be bringing desperately needed supplies along with message of hope to each person we encounter.

To accomplish this mission, we need your help. Your financial donation will ensure that we will be able to bring relief to the orphanages and hospitals we will visit.

We are all in this together.

Your commitment to get involved will be a sign of hope for those who have suffered so much. Please make a financial donation to support the poor people of Haiti and all of those who struggle in our community and around the world. Your gift of mercy is the visible sign to the poor that God has not forgotten them.

If you would like to make a gift-in-kind donation of medical supplies or food, please contact us at 703- 659-1636 for details. The medical supplies and food will be shipped to Florida later this week to be flown with the delegation on Monday, January 25, 2010.

GOD IS CALLING YOU TO SERVE, HOW WILL YOU ANSWER?
